this book is a journey book sitting down at a computer and producing the story has been a grand trek i have learned that there is a principle in nature that some things need to mellow calm down and soak in the refusal of winemakers to take a wine before its time is a notion i am coming to understand it works with writers as well like a fetus signaling its mother that it is time to head for the hospital a literary work stays in the mind until its time in my education i have read of the battles of great church leaders who were eventually thrown out of their churches in my denominational education i was largely led to see them as heretics rebels eccentrics revolutionaries apostates and as generally representing a lower form of spirituality church education often asked me to surrender my biases in favor of accepting a new set of assumptions my denominational ones we were to be critical of everything except our organization i submit that there is danger in that this book will cover incidents from the first forty years of my life as a religious addict you may find something here that you can identify with
